RATING STATUS

We declare that Integrity Electric, Inc. has passed all the rating steps and has earned the Diamond Certified award, Certificate No. 1372.

Jerry Thompson knows the electrical trade - his experience spans over 3 decades! In 1993, Jerry and wife Kari founded San Rafael based Integrity Electric, Inc. with the goal of providing consistent quality and excellence. It paid off. Today Integrity Electric, Inc. is established as a 'company you can count on' with a loyal following in 3 counties.

Family owned and operated with a loyal following in 3 counties.

How did the company get its name? Kari Thompson explains, "When I met Jerry in 1990, I was struck by his level of integrity and huge heart. Also, any job Jerry takes on is completed with the utmost care and integrity. Naming the company 'Integrity Electric' just felt right!"

Integrity Electric specializes in both commercial and residential installations. As a service company, they offer well stocked service vehicles with skilled technicians who consistently strive for quality and excellence. Known for its quick response, Integrity Electric can be counted on for all your electrical needs - large or small. Treating customers with fairness, respect and professionalism is vital at Integrity Electric. Jerry believes, in business all you have is your reputation - happy customers are the best advertisement.

COMPANY PHILOSOPHY

"At Integrity Electric, we sincerely believe it's all about the customer. Two simple rules that have served us well are: 1. Answer the phone 2. Do what you say you are going to do! We won't promise anything that we can't make good on. Aiming for integrity and honesty in all our business dealings has been and continues to be our winning formula."
